Classic Italian style

# VARENNA

With Varenna the classic look of marble is created using an extraordinarily beautiful ceramic material that combines Gardenia know-how with significant technical innovations.

The natural shades and the perfectly balanced veining of the slabs reflect the prestige and noble soul of splendid Italian locations such as Varenna, with its enchanting natural landscapes.

It is the history and the architecture of these places that inspired the Gardenia research laboratory to create a material in which the expressive power of stone is so superbly conveyed.

*Con Varenna la classicità del marmo è interpretata da una materia ceramica di straordinaria bellezza, frutto del know-how Gardenia e di importanti innovazioni tecniche.*

*Le tonalità naturali e le equilibrate venature delle lastre riflettono il prestigio e il nobile carattere di ambite località d'Italia quali Varenna, con i suoi suggestivi scenari naturali.*

*Sono proprio la storia e l'architettura di questi luoghi ad ispirare il laboratorio di ricerca Gardenia nella realizzazione di un materiale in cui l'espressività della pietra trova una magistrale interpretazione.*

IN LAVORAZIONE

The large slabs on the floor and the mosaic tiles on the wall are an ideal solution for the contemporary living area.

*Le grandi lastre a pavimento e i mosaici a parete rappresentano una ideale soluzione per il living contemporaneo.*

IN LAVORAZIONE

Mosaic tiles are extremely versatile, and are ideal for both small and large settings.

*I mosaici si prestano a molteplici utilizzi e sono ideali sia in grandi che in piccoli spazi.*

IN LAVORAZIONE

The polishing of the slabs lights up the rooms, giving them a vibrant appearance with a wealth of reflections and light effects.

*La levigatura delle lastre illumina gli spazi, rendendoli vibranti, ricchi di riflessi e di giochi di luce.*

IN LAVORAZIONE

The slabs also give their expressive best on walls, enveloping rooms in an embrace of natural-look marble.

*Anche a parete le lastre risultano particolarmente espressive, avvolgendo gli spazi di naturali interpretazioni marmoree.*

IN LAVORAZIONE

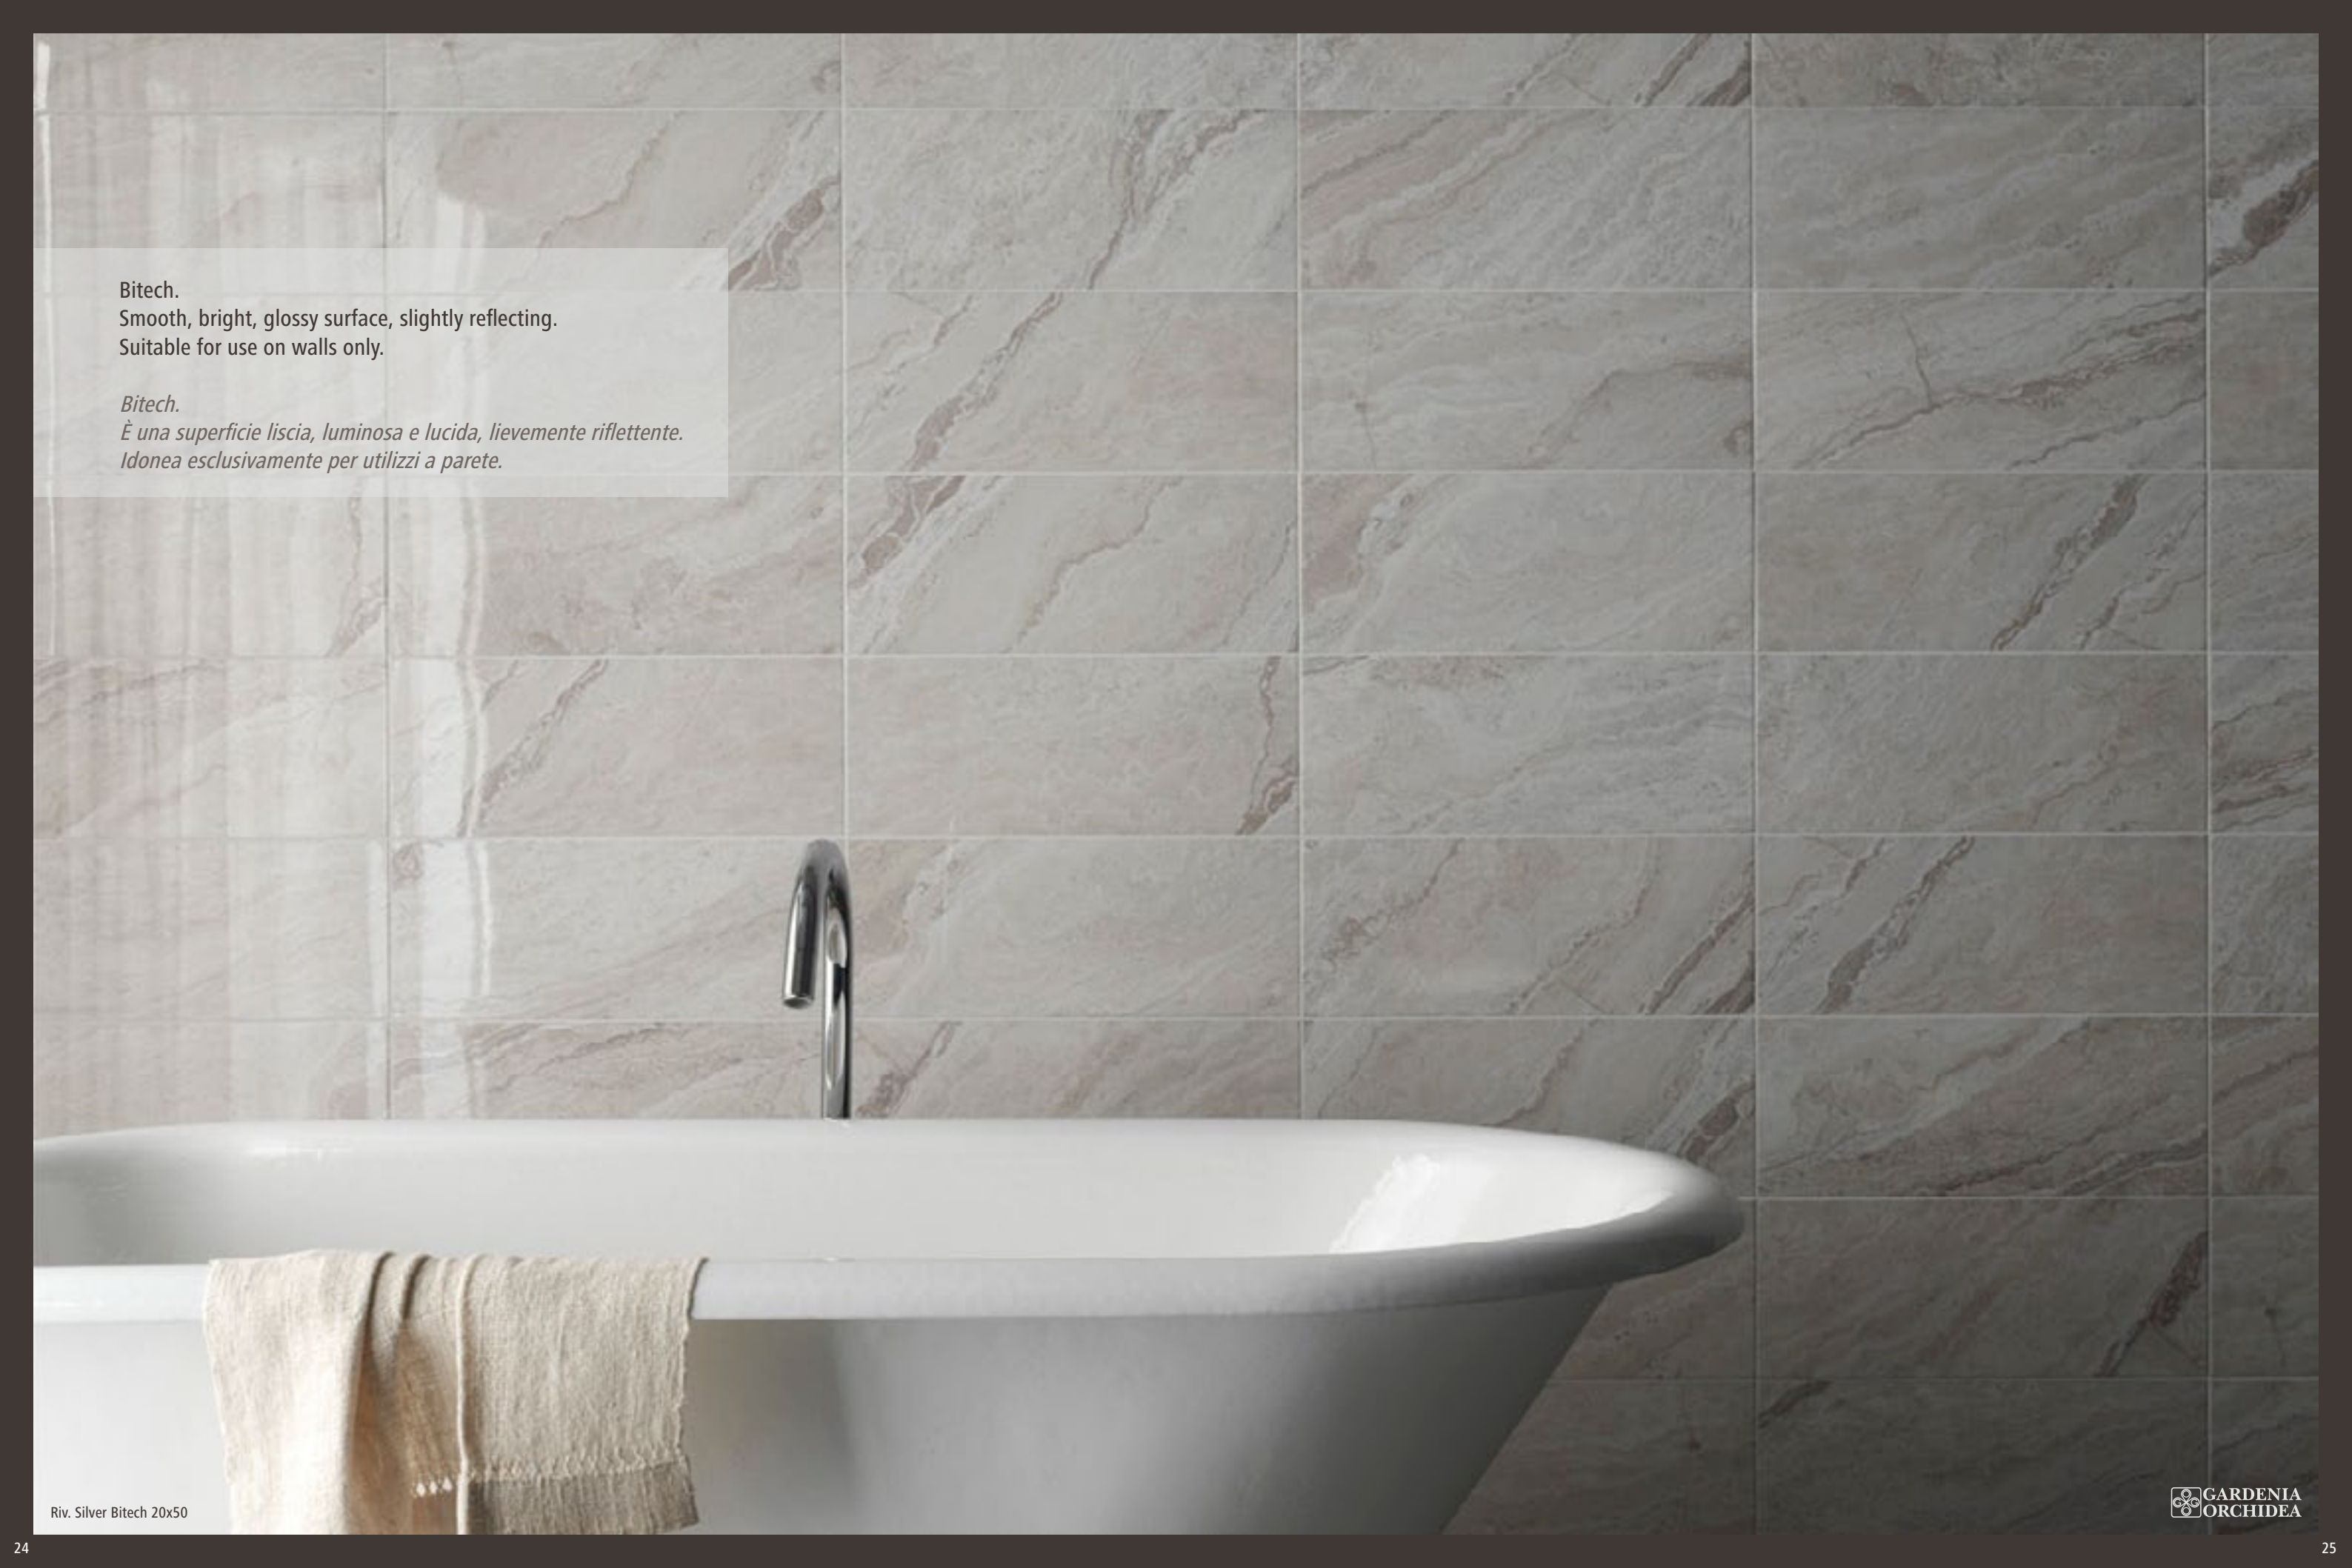

Varenna porcelain stoneware slabs are made using the innovative inkjet digital printing system, making it possible to reproduce a huge variety of surfaces naturally and thus guaranteeing an extraordinarily attractive result: no two Varenna slabs are alike, just as occurs with natural stone or marble.

*Le lastre Varenna in Gres porcellanato sono realizzate con l'innovativo sistema di stampa digitale a getto d'inchiostro, che permette molteplici e naturali riproduzioni della superficie assicurando così straordinari risultati estetici. Ogni lastra Varenna infatti non è mai uguale all'altra, proprio come avviene in natura con le pietre o i marmi.*

Varenna floors with Matt finish are perfect for light commercial settings.

*Le pavimentazioni Varenna con finitura Matt sono ideali in luoghi come il light commercial.*

Bitech.  
Smooth, bright, glossy surface, slightly reflecting.  
Suitable for use on walls only.

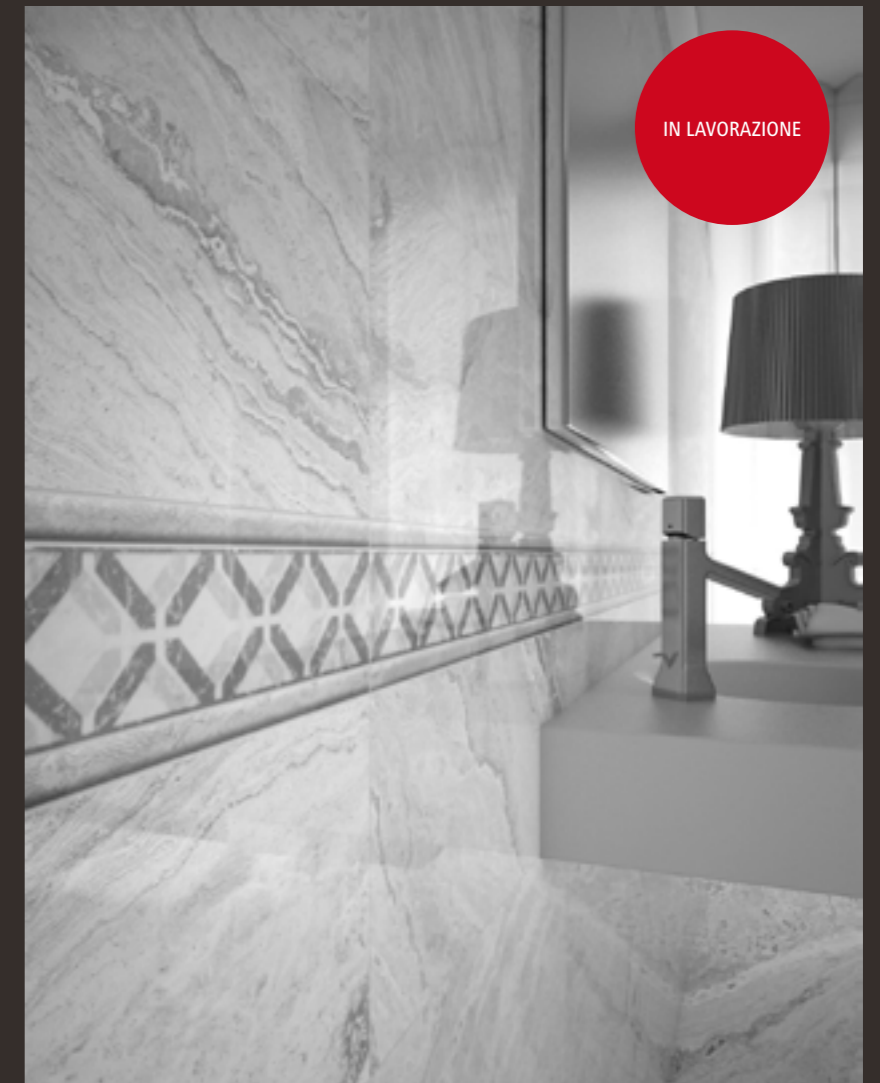

*Bitech.*  
*È una superficie liscia, luminosa e lucida, lievemente riflettente.*  
*Idonea esclusivamente per utilizzi a parete.*
